

AD Aviation have been flying key members of the twice Le Mans Winners, RML MG Lola team, to race circuits around Europe for the last 4 years.

This highly flexible service allows the team to drop in on major motorsport destinations like Le Mans, and the key circuits which have been venues to the Le Mans Series, where this year the RML MG Lola won the Championship in it's class.

The team have found the convenience and flexibility offered by AD Aviation essential with key benefits being:

- Fly to local airports with easy reach of the main tracks around Europe
- No check in queues
- No hand baggage restrictions
- 24 hour service
- Flexible departure times

Why not give us a call, you'll find our team friendly and flexible offering a service which is second to none.
